Declaration of commitment by Universitat Politècnica de Catalunya to the Principles of “The European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers”

Universitat Politècnica de Catalunya welcomes and supports the Recommendation of the European Commission 2005/251/EC on “The European Charter for Researchers” and “The Code of Conduct for the Recruitment of Researchers”.

Within its legal boundaries, Universitat Politècnica de Catalunya hereby commits itself to applying the stated principles via its human resources policies for researchers and to promoting transparency, accessibility, equity, and the pursuit of excellence in the recruitment of researchers.

In adhering to this Recommendation, Universitat Politècnica de Catalunya will reinforce its effort to create the best possible framework within which its researchers can develop their careers, while at the same time contributing to the development of the European Researcher Area.
